

Beard Oils offer a double bonus of taming and conditioning beard hair while hydrating the skin. Our Beard Oil Formulation includes three emollients: **Meadowfoam seed oil** to give your beard shine and keep it soft without being greasy, **Daikon Seed Extract** for beard shine and a light and silky feel of **Blackberry Seed Oil**. We added **PhytoScents Patchouli** for a pleasant but not overpowering scent.

Beard Oil

INCI Name	Trade Name	%
Limnanthes Alba (Meadowfoam) Seed Oil	<u>FSS Meadowfoam Seed Oil</u>	42.00
